

1 **ABSTRACT OF THE INVENTION**

A method of presenting offers of travel services is disclosed. The method may include providing a client computer having a human interface, inputting requests for details of travel services, sending requests to a GDS and to a server computer, translating the request into web requests, sending web requests to websites and receiving responses therefrom, and displaying responses from the websites and from the GDS on a single display screen. Software and hardware such as may be used for embodying the method are also disclosed.
